Our Mission

Rusty's Angels Sanctuary is a nonprofit organization dedicated to providing a safe and caring environment for senior and special needs canines. Through rescue, foster, adoption, education and hospice; we create secure nurturing homes for them to live out their twilight years.

Our Goals

1. To RESCUE senior or special needs canines that have been displaced from their home or abandoned for any reason, until they are adopted or to live out their life at the sanctuary.
2. To build a FOSTER home network to help us place more senior canines until they find their forever home.
3. To provide EDUCATION to the public on the benefits of ADOPTING and caring for aging canines.
4. To find loving homes that will provide HOSPICE care for senior canines to live out the rest of their lives in the company of other animals and human caregivers.
